# ISO 42001 Consultant - Al Integration Specialist

## **Description**

We are seeking an ISO 42001 Consultant who is also an AI Integration Specialist. This unique role combines the precision of ISO standards with the dynamic world of  $\Delta I$ 

#### Responsibilities

- 1. **Al Integration:** You'll be the maestro conducting the symphony of Al integration, ensuring each note (or line of code) hits the right pitch.
- 2. **ISO 42001 Compliance:** Like a seasoned explorer, you'll navigate the landscape of ISO 42001, guiding our clients through its intricacies.
- Aii Methodology: You'll be the Aii captain steering the ship of deployment, ensuring smooth sailing from the harbor of development to the shores of implementation.

#### Qualifications

- 1. **Experience:** Proven track record in AI integration. If you've ever taught an AI to sing, we want to hear from you!
- 2. **Education:** Bachelor's degree in a relevant field. If you've ever solved a Rubik's cube in under a minute, that's a bonus!
- 3. **Skills:** Excellent communication, problem-solving skills, and the ability to turn a complex problem into a simple solution.
